Through the Deputy Commissioner, Hassan District.

Sir,

With reference to your letter No. L. 5513/Med. dated the 31st January.1923, about the deed of gift desired to be executed by Mr. Maralusiddappa in respect of the Dispensary building at Halkur, I have the honor to forward herewith for approval a draft deed of release prepared in this office.

The building was handed over by him and accepted by Government so long ago as October 1919, and at this distance of time, it is not easy to persuade him to bear the cost of stamp paper and Registration charges for a duly registered deed of gift. The Mutchalika executed by him values the property at Rs.6,000/- and under the stamp law now in force the stamp duty will come to Rs.75/- but in the case of a release bond with an admission of previous gift accompanied by possession all that seems necessary is a release bond, which requires a fee of only Rs.7/8/-.

Besides the said sum of Rs.75/- or Rs.7/8/- for stamp fees, a further sum of Rs.17-8-0 will have to be paid for registration purposes.

If the donor refuses to bear these charges, I am afriad the Government will have to bear the same. In the alternative

I would suggest that in the case of all charitable endowments or gifts to Government for public purposes, the stamp fee may be ordered to be remitted under the provisions of section 9 of the Mysore Stamp Regulation. This I believe is also a subject ~~passed~~ pressed before the Representative Assembly and is pending consideration.

The copy of the Mutchalika previously executed by Mr. Maralusiddappa, is also enclosed.

I have the honor to be,

Sir,

Your most obedient servant,

President;
